

Policy and Procedure

McMinnville Free Clinic

BOARD OF DIRECTORS

APPROVED: 8/27/12
LAST REVIEW DATE: 8/27/12

Policy

Board of directors will abide by McMinnville Free Clinic (MFC) bylaws, also see bylaws. Additionally, MFC board members are expected to fully agree with our mission, purpose, values, and faith statements and willing to forward MFC's mission both within and outside of board meetings.

Board members should be vested in MFC; thus, it is recommended that all board members donate financially to the clinic (which also enables MFC to apply for grants that require that 100% of board members financially support, and share this information with donors).

It is preferred that board members also fulfill another role, eg. site liaison, George Fox liaison, Linfield College liaison, medical provider, nurse, marketing, technical support, administrator, pastor, accountant, attorney, someone involved with other community groups, such as rotary, Lions, Elks, etc. The medical director is also a board member.
